

2025 SYNOD ASSEMBLY OFFERING

The offering for the 2025 Northeastern Iowa Synod Assembly—set for June 6-7—supports two ministries that reflect this year’s theme, “Created to Be Connected.”

THE DWELLING

The keynote speaker at this year’s synod assembly is Pastor Emily Harkins, a graduate of Wartburg College and Wartburg Theological Seminary, who is lead pastor and founding developer of The Dwelling, a mission congregation in North Carolina that serves people living on the margins. Our offering will support The Dwelling’s ministries, which include providing the housing-insecure with a place to shower, warm up, worship and nourish with Sunday meals.

CREATED TO BE CONNECTED

DWELLING IN FAITH

The Dwelling in Faith is a new syndoically authorized worshipping community located in Mitchell, Iowa. This ministry started in a revamped sanctuary to provide a new type of worship and fellowship that includes dinner church, intergenerational activities, and Bible study. Our offering will support this ministry as it settles into a permanent setting to offer creative ministry opportunities.
