

NORTHEASTERN IOWA SYNOD

FALL CONFERENCE

LIVING LUKE

YEAR C: OPPORTUNITIES FOR PREACHING & TEACHING

The Rev. Dr. Troy Troftgruben
Associate Professor of New Testament,
Wartburg Theological Seminary

Drs. Wendland and Troftgruben will lead us in conversation and consideration of Year C, with time dedicated to each major season: Advent, Epiphany, Lent, and Easter/Pentecost.

We will glean a bird's eye view of Year C and its texts, consider the theology of some prophetic writings and Luke's Gospel, and reflect on opportunities and challenges of preaching and leading worship in the coming year.

It will be a delightful time engaging scripture with biblical scholars from both testaments of the Christian canon.

The Rev. Dr. Kristin Wendland
Associate Professor of Religion,
Wartburg College
